

About Spotless Services Middle East

Spotless Services Middle East is a joint venture between Spotless Services Australia Limited and Emirates Link Group and will provide facilities and asset maintenance services to government, defence and commercial sectors in the Middle East.

Spotless is listed on the Australian Stock Exchange and is a market leading services company currently providing facilities and asset maintenance services to organisations within Australia and New Zealand. With annual turnover of \$AUD2.5 billion, Spotless has a long and proud history of providing facilities management excellence across a variety of industry sectors.

Spotless' suite of services include facilities management, asset maintenance, cleaning, food and laundry services as well as providing garment hangers to retailers globally.

Emirates Link Group is a diversified group of companies catering to oil/gas, energy and water sectors plus commercial industrial industries.

The agreement combines the strengths of Spotless' services offering with the local knowledge and relationships of Emirates Link.
