

# About Spotless

Spotless Group Limited is a global services business consisting of two distinct service businesses; Facility Services and Retailer Services (Braiform).

Facility Services is comprised of a number of complementary service capabilities managed through four business divisions in Australia and New Zealand; Facilities Management, Food Services, Cleaning Services and Laundry Services. Providing single or integrated outsourced services, Spotless offers clients the benefits of efficient operational economies of scale, business processes, technology platforms and innovation.

Braiform, the Retailer Services division, provides garment hanger solutions to retailers and garment manufacturers across more than 30 countries. The business' capabilities are comprehensive; from the development of innovative design concepts and quality manufacture, to timely and cost competitive global distribution. Braiform is also the global industry leader of hanger re-use programs, which are economically and environmentally compelling.

## Spotless:
