Easy and accurate personal meter reads
for electricity, gas, and water use.

READ MY METER *App*

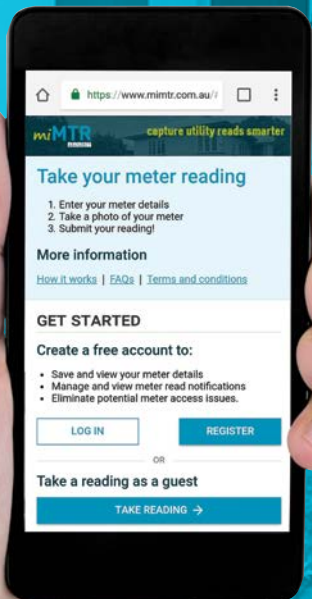

miMTR

64687

The read my meter app is a mobile friendly web-based app to take easy and accurate personal reads of your gas, water, and electricity meters. *

WHY USE IT?

- More accurate billing, have confidence in your meter reads.
- Safety: have a large property or pets? No need to keep your property unlocked.
- Have one app to keep track of all your meter reads.
- Moving out? Take some of the stress out of moving.
- Go about your day without disturbance. Read your meter at a time that is convenient to you.

*Please note: unable to accept reads from multiple register meters.

MOVING OUT?

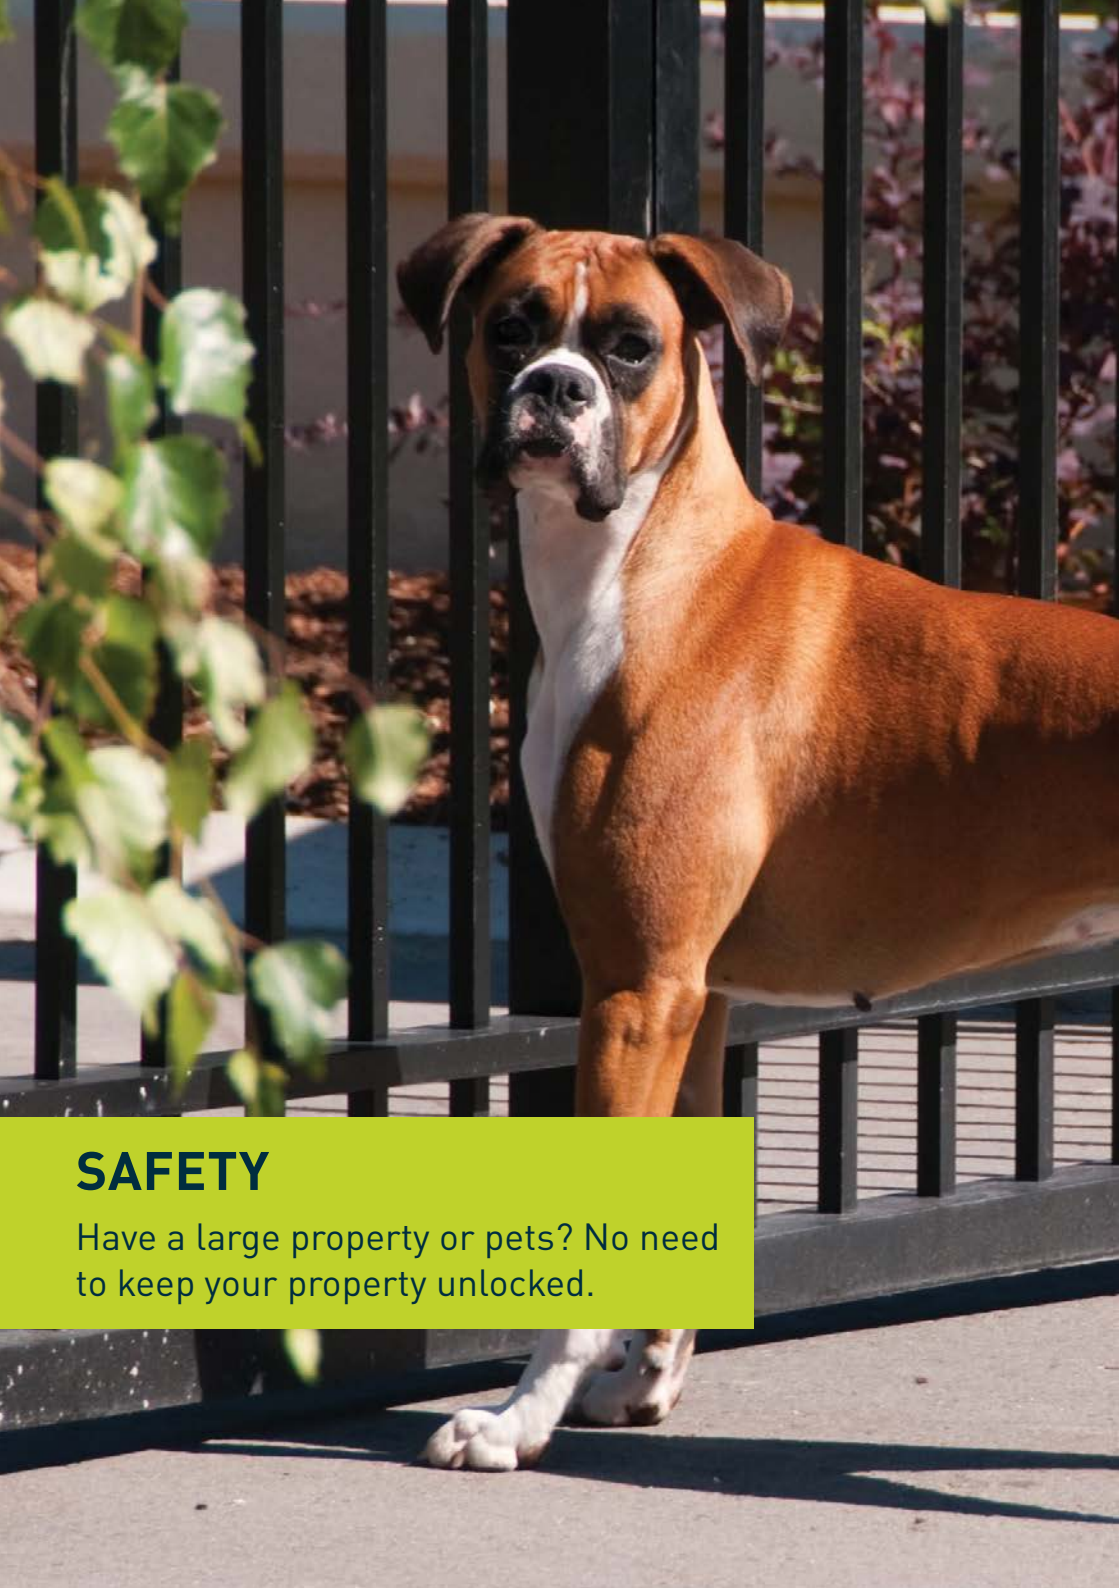

Take some of the stress out of moving. No need to take the day off work for your final meter read.*

*Please note: only if this service is supported by your energy retailer.

MORE ACCURATE BILLING

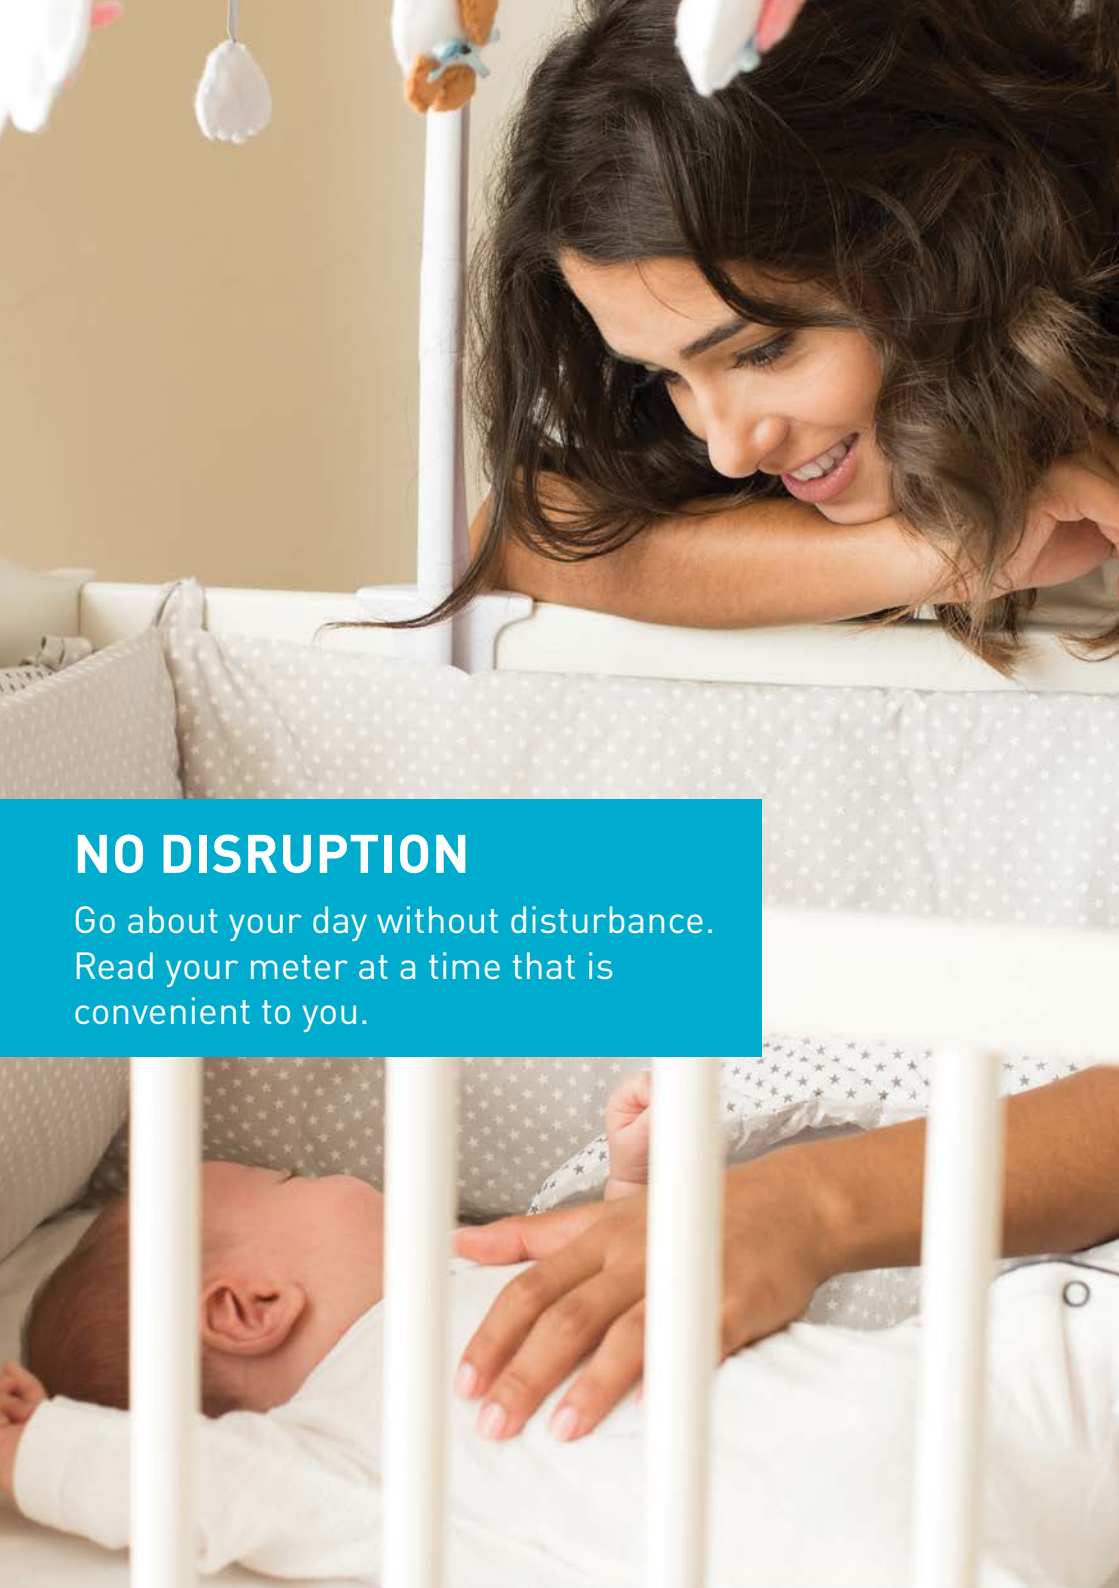

Have confidence in your
